

Introducing the latest addition to the Ultra-Aire™ line of whole-house, ventilating dehumidification:

The New Ultra-Aire™ 65H

ultra-
efficient

ultra-
quiet

ultra-
effective

ultra-
smart!

ULTRA-COMPACT!

Whole House Ventilating Dehumidification Made Smaller.

The Ultra-Air 65H™ is the first compact, high-efficiency dehumidifier designed to fit in tight, low-clearance applications.

The Ultra-Air 65H™ removes up to 65 pints per day, is Energy-Star rated, quiet and effective. Ultra-Aire dehumidifiers are your best choice for superior performance!

Optional Accessories

Pump Kit: Whisk away water with this condensate pump kit. With 20' of cord and 15' of lift, you can route to drains not easily accessible from the unit. (4028085)

Hang Kit: When space is tight, and you need that extra room in your crawlspace or basement, you can suspend the Ultra-Aire 65H from above with this Hang Kit. (4028111)
